

## Dog and sofa

Dog and sofa is a book for dog lovers of all ages, emotions and the mourning process after the death of a pet or a family member. Those who have dogs or have owned dogs recognise experiences and memories.

The book can be used for discussions in groups about friendship, pets and responsibility.

### Discussion:

What thoughts do you get from the book?

What would you do,

if you were the main character in the book?

How should we take care of pets?

Who carries the responsibility for pets?

What do pets mean to humans?

How do pets help humans? Give examples.

How can we understand what animals want to tell us?

**Tasks:** Write a story about one of the pictures in the book.

Write a story about an adventure together with a dog.
